FORDHAM LAW SCHOOL AT LINCOLN CENTER

The Fordham University School of Law is located in Manhattan at Lincoln Center. The building, which opened in 1961, was the first erected at the Lincoln Center campus. In February, 1969, the Leon Lowenstein Center, housing all of the other Lincoln Center schools of the University, was opened.

The Law School building is located on West 62nd Street between Columbus and Amsterdam Avenues—one block west of Broadway. It is two blocks west of Central Park, three blocks northwest of Columbus Circle and is readily accessible from the 59th Street-Columbus Circle stations of the IRT-Broadway-7th Avenue and the Independent 6th and 8th Avenue subway lines. The IRT has a convenient local stop at 66th Street-Lincoln Center as well, and the area is served by a number of bus routes.

INFORMATION

The Admissions Office of the Law School, 140 West 62nd Street, is open during every business day of the year. Information regarding the requirements of the school for entrance and for its degree, and information regarding admission to the bar, may be obtained upon written request to:

Endowed Chairs

THE ALPIN J. CAMERON CHAIR OF LAW

The Alpin J. Cameron Chair of Law was founded by the late Alpin W. Cameron of Philadelphia to honor the memory of his father, a member of the Class of 1872, Fordham College. The Chair was instituted at the Law School on February 1, 1957. The first incumbent was the late Professor George W. Bacon. He was succeeded by the late Professor Thomas J. Snee. The present occupant of the Chair is Professor Leonard F. Manning.

THE AGNES AND IGNATIUS M. WILKINSON CHAIR OF LAW

The Agnes and Ignatius M. Wilkinson Chair of Law was created by the will of the late Dean Ignatius M. Wilkinson. The Chair was instituted on November 18, 1961 at the dedication of the Fordham University School of Law building at Lincoln Center. The first incumbent was former Dean and now Judge William Hughes Mulligan. The present occupant of the Chair is Professor John D. Calamari.

FORDHAM UNIVERSITY

Fordham is a University in the Jesuit tradition. It is governed by a self-perpetuating, independent Board of Trustees under a charter granted in 1846 by the New York State Legislature. For more than a century and a quarter, Fordham University has served American society by offering instruction in the liberal arts and selected professional areas, on both the undergraduate and graduate levels. What distinguishes Fordham from other universities is the complex of academic specialties and traditions, which is the result of its heritage and its growth in New York City.

Fordham's oldest academic tradition, carried on through Fordham College, the Graduate School of Arts and Sciences, The College at Lincoln Center and the School of General Studies, is its commitment to educate talented men and women in the liberal arts and basic sciences. This commitment emphasizes a rigorous intellectual formation, which stresses humanistic and cultural values, and provides not only an opportunity for the mastery of intellectual disciplines but the possibility of studying them in an environment where religious values have a vital and respected presence on the campus.

As a University dedicated to serving the needs of society and particularly the needs of New York and America, Fordham prepares men and women for careers in the professions through its Schools of Law, Business Administration, Education, Social Service, and Religious Education. These Schools continue to make significant contributions to the City and the nation as well as to the professions themselves.

FORDHAM'S RELIGIOUS TRADITIONS

Fordham University was established under Catholic auspices and has benefited from the services of hundreds of members of the Society of Jesus, a religious order of men who have devoted much of their energy to higher education.

Fordham has found that its Catholic and Jesuit origins and traditions have provided valuable marks of its distinctiveness and a source of strength. As a consequence, these traditions, religious ideas, perspectives, and values hold an important place in the curriculum. Theology is

an important subject requiring serious intellectual study. Students of all faiths and of no faith are given encouragement and opportunity to join in seminars and discussions of religious issues and to participate in religious liturgies. Priests, nuns, and lay persons on the faculty and staff are ready to assist students in the quest for their own religious commitment. None of these opportunities is forced on anyone; their use depends on the interest, good will, and initiative of the students.

A loving and respectful openness to people of all faiths is an integral part of Fordham's stance, as it should be in any university. The very nature of religious belief requires free, uncoerced consent, just as the nature of a university requires a respect for evidence, for investigation, for reason and enlightened assent.

THE SCHOOL OF LAW

The School of Law was opened on September 28, 1905. After more than 50 years on lower Broadway, the School was moved in 1961 to its present location, becoming the first unit of what is now the Fordham Campus at Lincoln Center, facing Lincoln Center for the Performing Arts.

The air-conditioned Fordham Law School building blends with the architectural elegance of its surroundings while retaining its unique character as a school of law. In addition to classrooms, seminar rooms, administrative, Law Review, Urban Law Journal, Student Bar Association, and faculty offices, the Law School building houses a magnificent Moot Court room, commodious lounges for students, faculty and alumni, two large reading rooms, and a library, complete with the most modern equipment, capable of handling in excess of 250,000 volumes.

Throughout its history, the School of Law has awarded the Bachelor of Laws (LL.B.) degree to students successfully completing the course of studies. In 1968, at the recommendation of the faculty, and with the approval of the Board of Regents of the State of New York and the Board of Trustees of Fordham University, the degree was changed to Doctor of Law (J.D.).

ACCREDITATION

The Law School is a member of the Association of American Law Schools and is on the approved list of the American Bar Association. The degree is recognized in every state of the United States and graduates of the School of Law are eligible to sit for the bar examinations of every state—provided the residency and filing requirements for admission to the bar are met. *See Admission to the Bar, infra* at p. 57.

AFFIRMATIVE ACTION POLICY

Fordham University has had for many years a policy of non-discrimination. Recognizing its legal obligation as well, it has developed a policy for the guidance of all supervisory personnel, academic and non-academic, relating to all students and employees and to the community served by the University. By its admissions and hiring practices, no applicant is denied admission, appointment or promotion because of color, race, religion, sex, or national origin. Fordham has developed an affirmative action program providing for additional efforts to recruit, employ, and promote women and members of minority groups. In its role as a member of the

New York community, Fordham University does not knowingly support or patronize any organization which discriminates on the basis of color, race, religion, sex, or national origin. This includes a ban on the purchase of goods or the use of facilities of such discriminative organizations.

It continues to be the policy of Fordham University not to discriminate on the basis of handicap. No otherwise qualified person shall be denied admission or access to, or employment within the University solely because of any physical, mental or medical impairment; nor shall any such person be treated upon admission or employment in a discriminatory manner. Inquiries concerning this policy and the University's efforts to provide accessibility to handicapped persons may be directed to Affirmative Action Office, Administration Building, Rose Hill Campus, Bronx, New York 10458.

STUDENTS RECORDS POLICY

Consistent with the Family Educational Rights and Privacy Act of 1974, Fordham University has enacted policies which protect the privacy of students.

In brief, the statute provides: That educational institutions and agencies must provide students access to certain official records directly related to the students, and an opportunity for a hearing to challenge such records on the grounds that they are inaccurate, misleading, or otherwise inappropriate; that institutions must obtain the written consent of the student before releasing personally identifiable data about students from records to other than a specified list of exceptions; that students must be notified of these rights; and that an office and review board has been established in HEW to investigate and adjudicate violations and complaints of this section.

This section is not intended to be a complete listing of Fordham University guidelines and policies. For a more specific explanation and discussion of this section, write to the University Registrar (Bronx, New York 10458).

OBJECTIVES AND PROGRAMS OF STUDY

The School of Law is a community of scholars within the University. The faculty conceives its primary purpose to be the preparation of students for the practice of law and the stimulation of their interest in legal scholarship. This contemplates not simply the training of men and women qualified as legal technicians but, more importantly, their education as lawyers fully conscious of the grave responsibilities inherent in their profession.

The School of Law recognizes that it is preparing its students for service not only in the representation of clients but in the creation, interpretation and administration of the laws which govern the nation, state and municipality. The School of Law is cognizant, also, of its continuing obligation to be of service to its alumni and to the legal profession generally as the law continues its inevitable expansion and development.

The School offers a practical, and professional education in law. The curriculum includes a study of the principles of general jurisprudence, of the common and statute law of the United States, of the system of equity jurisprudence and, recognizing that a better understanding of the present can be acquired from a study of the past, of the historical and philosophical origins of law.

The course for the degree of Doctor of Law (J.D.) covers three academic years in the day division and four academic years in the evening division. Required and elective courses and course descriptions are set forth on pages 36 to 51.

The case system of study is primarily used, employing selected collections of cases as the basis of instruction. The teacher and the students discuss the assigned materials critically and comparatively, both with respect to the facts and decisions reached and the rules and principles of law involved. Thus, the students are trained in legal analysis and accurate reasoning, while at the same time they are acquiring familiarity with the principles of law and their developments through the use of the actual decisions of the courts. The skills used by the lawyer in counselling clients, in drafting agreements, statutes and other legal documents, in trying cases, in arguing appeals and in legal research and legal writing are taught and practiced in class, in moot court competitions and on the Fordham Law Review and the Fordham Urban Law Journal to the fullest extent an academic atmosphere inspires and academic limitations allow. To develop practical professional skills, clinical programs, as set forth on page 18, may be undertaken as electives in both day and evening divisions after the first year.

The School recognizes that a grasp of the broad principles of common law is essential for the well-equipped lawyer and aims to train its students so that they may be qualified to practice law in any common law jurisdiction.

CLINICAL LEGAL EDUCATION PROGRAM

Consistent with the principles of sound legal education and in conformity with the Rules of the New York Court of Appeals, the School of Law has instituted a number of clinical programs as part of the regular Course of Studies:

The programs contain an academic component, *viz.* weekly lectures at the Law School on the various topics or cases. Students are carefully selected, assigned to particular lawyers in the participating agencies or departments, and required to keep regular office hours. In addition, the faculty member in charge of each program maintains liaison with the attorneys involved.

Students participating in a clinical program receive two credits on a pass-fail basis.

Students may elect two Clinicals per year, one each semester, subject to a limitation of three such programs during the course of studies at the Law School.

All clinical programs are under the direct supervision and control of a regular member of the faculty charged with Clinical Legal Education.

Details on the clinical programs to be offered are announced at the time of the Fall and Spring registrations.

LAW LIBRARY

The capacity and promise of a law school are, in great part, measured by its library. The School's library—in architecture, in decor, in functionalism—is the product of years of research, designing, testing, and redesigning to determine how best to serve legal scholarship within the law school and among its alumni. Its east wall of glass overlooks a large green landscape; the main reading room is designed to provide spaciousness and comfort and to encourage research and study.

A balconied reading area surrounds two sides of the main reading room. On the north side of the main floor is a microfilm room and, interspersed among the stacks, are carrels for individual study. The book stacks extending through five levels are easily accessible. An auxiliary and more informal reading room, occupying more than 5,000 square feet, is located on the lower level of the library wing.

The library contains more than 175,000 volumes, including an extensive collection of American, English and Canadian materials, international law and foreign

law as well as the complete National Reporter System, the official state reports of all states, the statutes of all the states, citators and state and regional digests. A large and ever expanding collection of textbooks, treatises, legal periodicals and standard encyclopedias is also maintained by the library.

The library is open daily during the school year to students of the School of Law and its alumni, from 9 A.M. to 11 P.M., except on Saturdays when it is open from 9 A.M. to 5 P.M. and on Sundays when the hours are from 1 P.M. to 9 P.M.

REQUIREMENTS FOR ADMISSION

ADMISSION

The School of Law is open to men and women. No discrimination is made on the ground of sex, race, age, or religious belief. Applicants for degrees must be at least eighteen years of age upon entering the first year class and must be of good character.

Every applicant must be a graduate of a college or university approved by the University of the State of New York and must present a certificate that he holds an accredited degree conferred after satisfactory completion of a four-year college course, together with a full transcript of his scholastic record.

As a prerequisite for admission, an applicant must take the Law School Admission Test and register with the Law School Data Assembly Service (LSDAS). Information about this examination and the Law School Data Assembly Service may be obtained at the Admissions Office or by writing to Law School Admission Test, Educational Testing Service, P.O. Box 944, Princeton, N.J. 08540.

The School recommends that all applicants arrange to take no test later than the February administration of the LSAT.

If at the time of forwarding the transcript to LSDAS, the applicant has not completed all of the college work on which he seeks admission, a transcript of his record to the end of the last completed term may be furnished.

Applicants taking the test should request that their LSDAS forms be reported to the Fordham University School of Law.

No special preparation for the LSAT is necessary, as it is intended to measure intellectual capacity and apti-

tude rather than knowledge of particular subject-matter. Preferably, the test should be taken before formal application for admission to the School of Law.

Applicants for admission will be accepted on the basis of their presumptive fitness to pursue the study of law with success as disclosed by their college records, their scores on the Law School Admission Test, and the information as to character and fitness contained in the statement required to be filed by all applicants, as well as such other data as may be available or required.

Any applicant who has attended another law school but who has been required to withdraw therefrom or who is ineligible to continue without condition in the regular course therein because of deficiency in scholarship, or otherwise, will not be admitted to this School.

Applicants whose degrees are not registered by the State Education Department of New York as acceptable to admit the holders thereof to the study of law must obtain a Law Student Qualifying Certificate. Application for a Law Student Qualifying Certificate should be directed to the University of the State of New York, The State Education Department, Division of Professional Education, Albany, New York 12201.

ADVANCED STANDING

An applicant who has satisfied all of the entrance requirements for regular first year students, and in addition has completed successfully one or more years of law study in a law school maintaining standards satisfactory to this School and duly registered by the University of the State of New York, and who is eligible to return to such law school in regular course, may be admitted to advanced standing. The amount of credit which will be given in such a case will depend upon the standards of the other school and the quantitative and qualitative record of the student therein. Advanced standing will not be granted beyond the second year in the day division or the third year in the evening division.

REGISTRATION—ENTERING STUDENTS

The School of Law admits students only for the fall semester.

Applicants for admission to the School may apply by mail or they may appear in person at the Admissions

Office at the Law School at Lincoln Center to fill out the necessary statement and application on the School form and to file the required credentials. The Director of Admissions will mail forms on request.

The Admissions Office will receive applications for the entering class during the period from September 1st through March 1st preceding the fall semester to which admission is sought. All applications must be accompanied by a \$20 application fee. This fee is not refundable and is not credited toward tuition or other charges.

As the School limits the number in each division, and as time is usually required to consider the application as well as to procure the necessary credentials and records, early application for admission is desirable.

No entering student will be permitted to register unless he has received the Bachelor's degree and has on file in the Registrar's Office a final transcript under seal showing the degree conferred and the date. The transcript contained in the LSDAS report is *not* adequate for this purpose.

Students will not be registered under abbreviated or colloquial forms of recognized names. The registered name of the student will be entered on all certificates and degrees of the School, except in case of obvious error, or where the student shall have filed with the School a duly certified copy of an order of a court of competent jurisdiction permitting a change of name, and proof, satisfactory to the School, of compliance with the terms of the order.

Entering students must register personally during the scheduled registration period.

REGISTRATION—ENROLLED STUDENTS

All students already enrolled in the Law School must register personally prior to the start of the school year. The dates of the registration period are published in the Academic Calendar. All students must personally register for the spring semester at the time set by the Dean's Office and published in the Academic Calendar. No student who fails to appear at the required time will be permitted to attend class without the special permission of the Dean and the payment of a late registration fee of \$25.

FEES AND TUITION	Application fee (non-refundable)	\$ 20.00
	Tuition fee per annum for students in the day division	3,500.00
	Tuition fee per annum for students in the evening division	2,625.00
	Late Registration Fee	25.00
	Re-examination fee	15.00
	Change of any personal information on the University's inactive records	10.00
	Fee for removal of an "Incomplete grade" ..	10.00
	Fee for mailing diploma	3.00
	Graduation fee, due at the start of the final term	25.00
	Transcript fee, per copy	2.00

It is estimated that the cost of new casebooks is \$150.00 in the day division; and \$120.00 in the evening. Used casebooks are acceptable.

For students entering the School a deposit of \$100.00 is required to be paid upon notice of acceptance. This will be applied upon the applicant's registration toward tuition fees and will not be refunded for any reason should he fail to enter the School. One half of the tuition for each year is due from all students at the opening of each term of the scholastic year.

All charges for tuition and fees are subject to change without notice at the discretion of the Trustees of the University.

No degree is granted or certificate of attendance issued to any student who has not paid all fees owed to the School.

No student who is in default more than two weeks in the payment of any fee will be permitted to attend lectures or to take any examination during the continuance of such default.

No fee paid or any portion thereof is returnable as a matter of right upon the withdrawal of a student from the School. Where illness, physical disability, or other extraordinary circumstances require a student to withdraw, he may file with the School a written statement of the causes of such withdrawal. Thereupon, provided the statement

be filed promptly and within the then current scholastic year, the School will take under consideration the equities of the case. In no event, however, will the application fee or the deposit paid on acceptance of application for registration be returned or credited, nor will a refund of a fee be made for any period of time during which the student was in attendance.

Upon notification from the Assistant Dean's Office, the Bursar will make refunds to students who withdrew from the Law School. Refunds will be made for tuition after deducting 15% of the total semester charge for each week of attendance. No refunds are granted after the sixth week. A period of 21 calendar days must be allowed for processing refunds of any kind. Refund checks will be mailed by the Bursar's Office to a designated address.

Veterans entering the School under P.L. 16, or P.L. 550 must obtain Certificates of Eligibility from the Veterans Administration.

SCHOLARSHIPS AND STUDENT AID

UNIVERSITY SCHOLARSHIPS. The University makes available each year to entering students a number of scholarships and partial scholarships awarded on the basis of need, upon application, by the Dean of the Law School and the Faculty Committee on Law School Scholarships. Further scholarship assistance is also available, in the discretion of the Dean, to students of academic promise who demonstrate need. Applicants desiring to apply for financial aid should do so through the Graduate and Professional School Financial Aid Service (GAPSFAS). Forms for this purpose may be obtained from the Educational Testing Service, P.O. Box 2614, Princeton, New Jersey 08540. All applications for financial aid must be submitted by March 1.

Inquiries should be directed to the Director of Admissions at the Law School.

LAW REVIEW SCHOLARSHIPS. The University grants 12 full-tuition scholarships to those seniors who are elected to the Board of Editors of the Fordham Law Review.

ARTHUR M. LAUFER MEMORIAL SCHOLARSHIP. The Arthur M. Laufer Memorial Foundation, Inc. provides scholarship aid in memory of Fordham alumnus Arthur M. Laufer. The foundation was funded from donations in large part from members of the New York State Food

Merchants Association, Inc., of which Mr. Laufer was counsel. Recipients are selected on the basis of need and academic achievement by the trustees of the donor in consultation with members of the Law School Scholarship Committee. Preference will be given to students who have worked in or who have an identity with the food industry.

LAW ALUMNI SCHOLARSHIPS. The Fordham Law Alumni Association, through its Scholarship Committee, makes available a number of scholarships on a yearly basis. Upon application, these scholarships are awarded by the Dean and the Scholarship Committee of the Law School to students of high scholastic promise.

THE JUDGE WILLIAM C. HECHT, JR. SCHOLARSHIP. This scholarship is made available through the Scholarship Fund of the Law Alumni Association.

THE "ED SULLIVAN SCHOLARSHIP" OF THE LOYAL LEAGUE PHILANTHROPIES, INC., OF NEW YORK CITY. A scholarship award is made by the Loyal League to an entering student who is a graduate of a public school in the Greater New York Metropolitan Area, and who satisfies the tests of financial needs and academic accomplishment.

THE JOHN G. HAGAN SCHOLARSHIP FUND. This fund was established by Mr. James Hagan to aid students in financial need applying for admission to the Law School.

THE FREDERICK AND CLARA HELBIG SCHOLARSHIP FUND. These scholarships are awarded by the Dean and the Scholarship Committee of the Law School to students of high scholastic promise who require financial assistance.

THE JOSEPH B. LYNCH MEMORIAL SCHOLARSHIP. The directors of the Joseph B. Lynch Foundation have established a scholarship fund in memory of Joseph B. Lynch, an alumnus of the Law School. The scholarships are to be awarded by the Dean and the Scholarship Committee to students who exhibit academic promise and who need financial assistance.

THE CAHILL GORDON & REINDEL SCHOLARSHIP. A full tuition scholarship has been made available through the generosity of the law firm of Cahill Gordon & Reindel. The scholarship is awarded by the Dean and the Committee on Law School Scholarships to a minority group student who exhibits academic promise and who needs financial assistance.

THE LOUIS STEIN FUND. A special loan fund has been made available for the use of students in financial need by Louis Stein, Class of 1926. This fund is administered at the discretion of the Dean.

THE CORNELIUS AHERN SCHOLARSHIP. The Mary Phelan Foundation has established a scholarship at the Fordham University Law School. The scholarship, to be granted annually to a student who has financial need, is to be called *The Cornelius Ahern Scholarship* in memory of Mrs. Phelan's father.

The JUDGE DAVID LEE, SR. SCHOLARSHIP. The Stella Matutina Foundation has made available two tuition grants of \$3,100 to an entering student of Hispanic origin. The grant will be based on financial need and scholastic promise and will be continued during the student's second and third years so long as he maintains satisfactory academic status.

MCCARTHY & MCGRATH BOOK FUND. Mr. Herman J. McCarthy and Mr. Charles F. McGrath, members of the law firm of McCarthy & McGrath, have established a small revolving fund to be used in the discretion of the faculty for the purchase of books by students who are temporarily unable to acquire them. It is expected that users of the fund will replenish it, without interest, to the extent of the amount borrowed, when financially able to do so. Students interested should advise the Dean.

STATE LOAN PROGRAM. A number of states sponsor loan programs for students who are legal residents of the state. Connecticut, Maine, Massachusetts, New Jersey, New York, Rhode Island, and Virginia are included among the states making these loans available. Loan forms are usually obtainable at the local branches of the various savings and commercial banks.

Residents of New York State are eligible to participate in the loan program of the New York Higher Education Assistance Corporation. Applications for these loans and a list of the participating lending institutions may be obtained by writing to the corporation, 111 Washington Avenue, Albany, New York, 12224.

Assistance in applying for State Loans may be obtained from the Office of Financial Aid, Fordham University at Lincoln Center, New York, N.Y. 10023.

TUITION PLAN INCORPORATED. Through an agreement with the University, a Fordham student may make use

of the program of Tuition Plan Inc. A leaflet describing the terms of the available contracts and an application may be obtained by writing prior to June 15th to: The Office of the Bursar, Fordham University, Bronx, New York 10458.

A TUITION ASSISTANCE PROGRAM (TAP) has been established by the State of New York for residents of the State who are pursuing a full-time program of study. To qualify as a resident, a student must have been a resident for a period of at least twelve months immediately preceding the beginning of the semester for which he applies.

New applicants for admission must file a formal application, which may be obtained from the University of the State of New York, State Education Department, Albany, New York 12224.

PHI ALPHA DELTA SCHOLARSHIP. Phi Alpha Delta Law Fraternity makes fifteen, five-hundred dollar (\$500.00) scholarships available nationally each year. Students who have completed two years of day or three years of evening law school and who are members of the fraternity may be eligible for such scholarships. Applications and detailed information may be obtained from the Faculty Advisor or the Chapter Justice.

BROOKDALE SCHOLARSHIPS. Students interested in careers directed toward improving the quality of life of the aged are eligible for a Brookdale Foundation Scholarship in gerontology, and may make application to the Office of the Dean.

COURSES REQUIRED FOR DEGREE

The required course for the degree of Doctor of Law (J.D.) in the day division of the School extends over three academic years, in each of which at least twelve periods of classroom instruction per week are required. Students entering this division are expected to devote substantially all of their working time to law study. The required course for the degree of Doctor of Law (J.D.) in the evening division of the School extends over four academic years. The minimum number of classroom hours per week in the evening division is ten.

The work of the four years of the evening course equals that required in the three years of the day course. The class schedules in the evening course are so arranged that the student is usually not required to attend classes more than four evenings a week.

Every candidate for the degree of Doctor of Law (J.D.) will be required to take all the courses prescribed in the curriculum in the first year. Thereafter the Course of Studies is largely elective. (*See Required and Elective Courses, p. 30.*)

The number of credits required for the degree is 81; each student is, however, required to take a program that is in conformity with the Rules of the School and the Rules of the Court of Appeals.

Under the Rules of the Court of Appeals, no full-time day semester shall be less than 10 hours per week for the prescribed 96 calendar weeks of the day Course of Studies. No part-time evening semester shall be less than 8 hours per week for the prescribed 128 calendar weeks of the evening Course of Studies.

Under the Rules of the School, no student in the day division may take less than 12 hours nor more than 15 hours per semester. No student in the evening division may take less than 10 hours nor more than 12 per semester, except that during the Course of Studies, one eight-hour semester shall be permitted. Additional credits earned in one academic year will *not* permit a student to take less than 12 hours per semester (day) or 10 hours per semester (evening) in any subsequent academic year, nor may credit earned at another law school be applied to reduce the minimum required course load.

Students may be permitted to transfer from one divi-

sion to the other upon formal application made to the Dean or his designate.

Students who contemplate a transfer from one division to another (day to evening or vice-versa) are advised that under the Rules of the Court of Appeals eligibility to sit for the New York Bar Examination is governed, not by the conferral of the degree, but by the successful completion of the full-time or part-time program as defined in Rule 520.4 (d) and (e) of the Rules of the Court of Appeals. A student who completes two years in the day division cannot transfer to the evening division and graduate at the end of the third year, despite the number of credits amassed, because such student will not have the requisite number of weeks called for by the Rules, *i.e.*, 128 weeks. Conversely, an evening student transferring to the day division is on notice that a part-time program is deemed equal to three-fourths ($\frac{3}{4}$) of a full-time program and to graduate from a full-time program requires 96 calendar weeks. The Rules do not permit the acceleration of either a full-time or part-time program.

HOURS OF INSTRUCTION

The classes in the day division are scheduled principally between the hours of 9:30 A.M. and 5 P.M. on every weekday except Saturday. Certain electives may be scheduled from 4 to 6 P.M.

In the evening division, classes will be held on every weekday except Saturday, commencing at 6 P.M. Generally, a student in the evening division will be required to attend classes four evenings a week. Because of the number of electives, classes in the evening division run four periods on certain nights. Certain elective courses open to day or evening students or both may be scheduled for Saturday morning.

There are no *required courses* scheduled for Friday nights.

The School reserves the right to change the hours of classes at any time in the discretion of the faculty.

Class schedules are published at the beginning of each term.

ATTENDANCE REGULATIONS

Under the Rules governing admission to the Bar in the State of New York, the Law School must certify that bar applicants were in good and regular attendance and took and successfully completed the prescribed course of instruction required at the School for the law degree.

Further, it is clear that work in the Law School cannot be satisfactorily carried on by students who are irregular in attendance.

A student is subject to dismissal whenever his attendance becomes so irregular that the faculty deems it to constitute a bar to certification of the required "good and regular attendance," or considers it unwise to permit the student to continue. Special conditions may be imposed in other cases which the Faculty regards as serious.

DISCIPLINE

The continuance upon the rolls and the graduation of each student, the awarding of academic credits, and the granting of any certificate or degree are strictly subject to the disciplinary powers of the University. The University reserves the right in its discretion at any time to cancel a student's registration, or to refuse to award academic credits, or to deny a certificate or a degree.

The disciplinary authority of the University is vested in the President of the University in such cases as he deems proper, and, subject to the reserved powers of the President, in the deans or other officers upon whom jurisdiction may be from time to time conferred.

All students in the School of Law are governed by the provisions of the Code of Conduct adopted by the Faculty. A copy of the Code is on file in the library.

REQUIRED COURSES

The program in both first year day and evening is required. In second year day and third year evening there is a minimum number of required courses. The last year in each division is totally elective.

In all required courses, students must remain in the section to which they are assigned.

TAPE RECORDERS

Students are not permitted to tape record lectures. Exceptions may be made for the handicapped—with the permission of the Professor.

ELECTIVE COURSES

The following courses are presently being offered as electives in the School of Law. New elective courses may be added at the discretion of the faculty as a result of a continuing study by a Faculty-Student Committee.

From the electives listed below or announced at the start of each semester, each student must select a sufficient number of elective hours to meet the hour requirements of each semester as indicated in the *Courses Required for Degree* published above.

Students are permitted to elect not more than two courses per semester in which the final grade is assigned on a basis other than a final written examination. No more than eighteen semester hours in such elective courses will be credited toward graduation requirements.

Required papers in a course or seminar must be submitted not later than the last day of classes for the semester. In individual cases of hardship, the deadline

may be extended by the professor, but in no event may a paper be submitted later than the last day of examinations for that semester without written approval prior to that date by the Dean or his designate. Failure to meet the deadline for submission of a paper will constitute failure of the course or seminar by the student.

Students may elect two Clinical programs per year, one each semester, subject to a limitation of three such programs during the course of studies at the Law School.

Indicated with each elective is the semester and session in which it is offered, the number of hours, and the requirements, if any, for admission thereto. Evening students may, if they can so arrange their schedules, take any elective which is offered solely in the day division.

INDEPENDENT STUDY

Students who have completed their first year of law school may earn two credits per semester by independent research under the supervision of a member of the faculty. Such projects are arranged by consultation between the student and a particular member of the faculty. Before being granted permission to register for credit for independent study, the student must submit a summary of the proposed study to the supervising faculty member. In order to gain two credits for independent study, the student must spend at least 60 hours on the project, must maintain regular contact with the professor, and must produce by the end of the semester a paper of publishable quality. In considering possible fields or topics for such independent study, students may wish to consider seminars and courses listed in this catalog but not offered in the current year.

EXAMINATIONS, GRADES, AND HONORS

As required by the Rules of the New York Court of Appeals, "all study must be evaluated by authentic written examinations except where such examination is inappropriate as in seminar and moot court courses or those courses which are principally concerned with legal writing, research or drafting." (Rule 520.4 (c) (3)).

Written examinations are held at the end of every semester in all subjects completed therein and as essential parts thereof. Mid-semester examinations in full year courses may be scheduled at the discretion of the professor. Classroom work, so far as practical, is also a determinant of general standing.

Examinations for all classes will begin promptly at the hour announced in the examination schedule posted prior to the examination period in each semester.

Students must present themselves for examination at the scheduled examination time upon completion of every subject unless excused by the Dean or his designate. Omission to do so will constitute a failure of such examination by the student.

Examinations for both divisions are usually held on weekdays, beginning at 4:00 P.M., and on Saturdays, beginning at 10:00 A.M., during the regular examination period. The Examination Schedule is published at the time of the Registration for each Semester.

The standing of students will be indicated by numerical grades. A grade of 60.00% constitutes a passing mark in a subject. To continue in good scholastic standing, however, a student must maintain a weighted average grade of at least 70.00% in every scholastic year.

No student who fails to attain the required year average of 70.00% will be permitted to advance into the next year or to graduate. Such a student may, however, seek permission to repeat the failed year by filing a Petition for Permission to Repeat with the Dean or his designate and by appearing personally before the Readmissions Committee at its stated sittings—usually in late July.

In case a student is permitted to defer an examination, he must take the next examination given in the subject. In the meantime, if on the examinations taken by him his weighted average is at least 70.00%, he may be allowed to continue conditionally in the School, subject to his maintaining at least a 70.00% weighted average grade when the deferred examination is taken. If on the examinations taken by him his weighted average is less than 70.00%, he will be excluded from the School unless and until on taking the deferred examination his weighted average is brought up to at least 70.00%.

Failed or omitted examinations aggregating in credit value more than one quarter of the required work of

any year will constitute a failed year irrespective of the weighted average grade obtained by the student. In such case the student will not be permitted to take any re-examination in the failed subjects or to continue in the School or to be a candidate for degree.

In the case of failed or omitted examinations, if the credit value constitutes no more than one quarter of the year's required work, the examinations may be retaken at the next regularly scheduled examination period, except in the case of subjects in the final year of the course. Because of a University policy to award degrees only at stated times, the conditioned examinations for senior students will be held during the second week of August so that the degree can be conferred in September. If the examination is again failed or omitted, the student will be required to repeat the subject.

Any student who fails to pass or does not take the first examination offered in a course required to be repeated as aforesaid will not be allowed to take any further examination therein, or to continue in the School or to be a candidate for degree.

Where the content of a course, in which a student has failed or deferred the examination, has changed subsequent to said examination, the student will be required to prepare himself on the altered content of the course. Should the course be omitted so that no examination is thereafter given, the student may be required to take an additional course and to pass an examination therein in lieu of the omitted course.

No day student will be permitted to enter the third year class with any failed first year course outstanding against him; no evening student will be permitted to enter the fourth year class with any failed first or second year course outstanding against him.

HONORS

A student who attains a weighted average of 85 or better for the academic year is honored by being placed on the Dean's List for that year. A student who completes all requirements for the degree with a cumulative weighted average of 87 will receive the degree of Doctor of Law (J.D.) *cum laude*; one who has a cumulative weighted average of 92 will receive the degree of Doctor of Law (J.D.) *magna cum laude*; and one who has a cumulative weighted average of 95 or higher will receive the degree of Doctor of Law (J.D.) *summa cum laude*.

PLACEMENT

The Placement Office, under the direction of a full-time professional placement director and assistant director, is located in Room 122 on the main floor of the Law School. The office is open during every business day of the year. The phone numbers are (212) 956-5646 and 956-6647.

The primary function of the office is to assist graduating students who seek permanent positions and second year students who seek summer associate positions. The office arranges interviews at the School chiefly during the months of October, November, and December and to a lesser degree throughout the year. The Director of Placement also provides career counseling and advises all candidates for judicial clerkships.

The services of the Placement Office are also available to students in both divisions, who seek full or part-time positions during the school year. To that end, the Office maintains a listing of all positions by category.

The services of the Placement Office are also available to all Alumni of the Law School.

ADMISSION TO THE BAR

Some states, for example, Alabama, California, Connecticut, Delaware, Florida, Kentucky, Missouri, North Carolina, Ohio, Oklahoma, and Texas, require that persons undertaking the study of law with a view toward practicing in those states register as candidates for the bar when they begin their study of law or prior to such study. Each applicant for admission to the School is advised to investigate the requirements of the state in which he intends to practice. The Director of Admissions will furnish on request the address of the particular state agency to which inquiry should be made. Timely fulfillment of these requirements for practice in the aforementioned states is essential and each student should complete his

registration before classes begin. New York State does not require registration prior to the commencement of law school.

Graduates of the School who are over twenty-one years of age and are actual residents of New York State, or who intend to become residents before the date of the examination, and intend in good faith to maintain such actual residence for at least six months prior to applying for admission to the Bar of this State, or who intend in good faith to commence full-time employment in the State not later than two months after the date fixed for the New York State Bar Examination and intend in good faith to continue to be so employed for a period of at least six months prior to applying for admission to practice, are eligible to take the New York State Bar Examination.

STUDENT SOCIETIES

THE FORDHAM LAW REVIEW

The Fordham Law Review is published six times during the school year by a board of student editors, chosen on the basis of their scholarship and writing ability. The Review contains articles on a broad range of legal subjects written by members of the bar, by law school professors and by others experts in a particular area of the law, as well as notes on recent decisions and comments on legal topics prepared by the board of student editors. The publication of the Review and its use in various courses are considered part of the general educational program of the School. Law Review membership is the highest academic honor the School can confer and Law Review experience is considered ideal training for the practice of law.

The Law Review offices, on the second floor of the classroom wing, overlook the main reading room of the library. A private library and conference room is maintained by the Law Review on the same floor.

THE URBAN LAW JOURNAL

The *Fordham Urban Law Journal* provides a student demonstrating interest and ability with a forum for participation in a professional writing experience. The *Journal* is published three times a year by a board of student editors and a staff selected on the basis of a writing competition held during the spring semester. *Journal* experience is considered a significant part of legal education at Fordham, and is valuable training for professional practice.

Although it contains articles and book reviews by scholars and professionals in the legal field, the primary purpose of the *Journal* is to provide students with the opportunity to research and publish a work in a particular area of the law. The concentration of the *Journal* is on areas particularly relevant to the urban environment; however, its range of topics has included, among others, articles on administrative law, bankruptcy, civil rights, criminal law, domestic relations, education, environmental law, housing, labor law, and tax.

The office of the *Urban Law Journal* is located on the third floor of the Law School.

MOOT COURT BOARD

The faculty considers participation in moot court activities to be one of the more important aspects of the student's training. Participation in the program is required for first year students, but there are several programs for upperclassmen which are voluntary and provide excellent opportunities for the development of appellate and trial advocacy skills.

These programs are administered by the Moot Court Board. The Board is composed of fifteen members, seven of whom are selected on the basis of class rank from among first year students and the remainder on the basis of participation in the Mulligan and Wormser Moot Court Competitions coupled with writing ability and interest in the program. The purpose of the Board is to coordinate and manage the various moot court competitions offered by the school, and in this connection to develop, research and write the problems to be used in the competitions.

FRESHMAN MOOT COURT: In the spring semester of first year an appellate moot court competition is conducted with upperclassmen and faculty as judges and teams of first year students arguing moot questions of law on appeal from trial records. This co-curricular program is required for all students in first year.

APPELLATE ADVOCACY— INTRASCHOOL COMPETITIONS

THE WILLIAM HUGHES MULLIGAN MOOT COURT PROGRAM: During the summer months an appellate moot court competition is held and is open to competitors from each division of the law school.

THE I. MAURICE WORMSER COMPETITION: In the fall semester of the academic year, second year day and third year evening students are eligible to participate in an appellate moot court competition. Judges in the early rounds include members of the faculty and distinguished alumni of the School of Law and in the later rounds, federal and state judges.

INTERSCHOOL COMPETITIONS

There are five interschool competitions in which Fordham regularly enters a team. On the basis of interviews, past appellate moot court experience and writing ability the Moot Court Board selects teams of three students to enter the *Wagner Labor Law Competition* and the *Kaufman Competition*. The Kaufman Competition is administered by the Fordham Moot Court Board.

By selection of a Faculty Committee, teams of three students are chosen annually to represent Fordham in the *Sutherland Cup Competition* and in the *National Moot Court Competition*.

A team of students also enters the *Jessup Competition* representing the Fordham International Law Society in the annual International Law Moot Court Competition sponsored by the American Society of International Law.

TRIAL ADVOCACY

Trial moot courts are held during the fall semester in order to provide seniors in the School of Law with an opportunity to experience trial advocacy before state and federal judges. Teams of lawyers for prosecution and defense contest criminal cases and carry their inquiry from indictment to verdict with underclassmen acting as defendants, witnesses, and jurors.

STUDENT BAR ASSOCIATION

The Student Bar Association is the representative organization of the Law School student body and is a member of the Law Student Division — American Bar Association. The SBA President, Vice President, Secretary, and Treasurer and the elected representatives of each class section constitute the governing body of the Association.

The SBA serves as a channel of communication between the students and the School of Law faculty and the University administration. The SBA promotes student participation in the investigatory and governing committees in the School of Law.

The SBA also manages all co- and extra-curricular activities within the Law School. Among these activities are the Law Forum, a series of guest lectures by persons of prominence in the law and public affairs. The Association also underwrites the operation of the school newspaper, *The Advocate*, and performs such service functions as staffing a student cooperative bookstore, publishing a student directory, organizing a blood drive, offering low cost health insurance to students, and sponsoring several social events during the year.

FORDHAM INTERNATIONAL LAW SOCIETY

The Society was founded in order to further student interest and participation in the fields of international law, organization, and trade. The Society is a member of the Association of Student International Law Societies and regularly participates in the regional meetings and conferences of that group, in addition to participating

in the annual meeting of the American Society of International Law in Washington, D.C. The Society sponsors a team to represent the Law School in the prestigious Philip C. Jessup International Law Moot Court Competition, providing students with a unique opportunity to write and argue on complex and timely questions of international law. In a recent Jessup Competition, Fordham's team received an award for submitting the best written memorials in national competition.

ENVIRONMENTAL LAW COUNCIL

The Environmental Law Council of the School is designed to give law students an opportunity to develop their legal skills while participating in the efforts to preserve and restore our natural environment. Since its founding in 1969, members of the Council have been engaged in legal research for the Natural Resources Defense Council, a New York environmental law firm involved in anti-pollution litigation throughout the country.

FRATERNITIES AND SORORITIES

Two national legal fraternities, Gamma Eta Gamma and Phi Alpha Delta, maintain active chapters at the Law School. Both strive to establish an enduring camaraderie among men and women with similar professional goals by programs emphasizing the social and cultural aspects of the lawyer's life. A branch of the national legal sorority, Kappa Beta Pi, was established at the Law School to provide a special forum for women studying law.

FORDHAM LAW WOMEN

Fordham Law Women meet regularly to create a more viable role for themselves and to deal with the problems that women encounter during the course of their legal education. Developing courses relating to women and the law, increasing the number of women at the school, and raising the level of awareness of the law school community towards its women are some of their concerns. Any women with questions about law school should feel free to contact them through the admissions office.

BLACK AMERICAN LAW STUDENTS ASSOCIATION (BALSAA)

The purpose of this chapter is to assist minority students in gaining admission and succeeding in the law school; to facilitate communication between Black law students at Fordham and other law schools; and to foster the Black communities' understanding and access to the law.

STUDENT FACILITIES

UNIVERSITY FACILITIES

In addition to the Law Library, Fordham maintains libraries at Lowenstein Center (adjacent to the Law School) and at Duane Library and Keating Hall on the Rose Hill Campus with collections which total more than 1,000,000 volumes. A Computer Center at Rose Hill with tie-in lines at Lowenstein Center, and Language Laboratories at both campuses are also available for student and faculty use.

The Generoso Pope Memorial Auditorium in Lowenstein Center, and Collins Auditorium and Little Theatre (at Rose Hill) afford ample facilities for student dramatic productions. A spacious gymnasium, swimming pool, ball fields, track, and tennis courts are among the athletic facilities available for student use at Rose Hill.

HOUSING FACILITIES

Although the Law School does not maintain dormitory facilities, the University maintains a Housing Office to assist students in locating off campus housing. The office can be reached by writing to Housing Office, Fordham University, Bronx, New York 10048.

DINING FACILITIES

A cafeteria is located on the ground floor of the Law School. It has a serving and table capacity to accommodate 120 people. In addition, there is a spacious dining room located on the Plaza level of the Lowenstein Center.

ALUMNI ORGANIZATIONS

FORDHAM LAW ALUMNI ASSOCIATION

The Law Alumni Association invites all graduates and former students to join the Association, which is organized to foster the welfare of the Law School and maintain the honor and dignity of the profession of the law.

The Association aims to acquaint all its members with the latest developments in the progress of the Law School; to serve as a clearing house for all suggestions from those who are interested in the growth of the School and to assist in the placing of its members, in cooperation with the School's placement service. Frances M. Blake, Executive Secretary, maintains an office in the Law School.

The Association publishes a Directory of its members, listing the names of all members of the Association by class, geographical location, alphabetically, and firm or other affiliation.

FORDHAM LAW REVIEW ASSOCIATION

Membership in the Fordham Law Review Association is open to graduate members of the *Fordham Law Review*. Its aim is to maintain among its members a continuing interest in legal scholarship and in the *Fordham Law Review*. In addition to several social reunions each year, it sponsors the Annual Law Review Association Dinner at which the graduating members of the *Fordham Law Review* are awarded their certificates of membership.

FORDHAM URBAN LAW JOURNAL ASSOCIATION

All graduate members of the *Fordham Urban Law Journal* are invited to join the Fordham Urban Law Journal Association. The purpose of the Association is to encourage involvement in and support for the *Fordham Urban Law Journal*. Membership also provides an excellent opportunity to remain informed of current legal developments and to maintain contact with the Fordham community. Each year the Association sponsors the Fordham Urban Law Journal Association Reception, where graduating members are awarded their testimonials of service.
